

“The China State-Funded Postgraduate Overseas Study Program”  
Guidelines for Overseas Applicants to the Doctoral Program of  
Tokyo Institute of Technology commencing in October 2014

1. Outline:

Tokyo Institute of Technology is accepting applications to the Doctoral Program commencing in October 2014 under the “China State-Funded Postgraduate Overseas Study Program.” Approximately ten (10) applicants with outstanding academic records and outstanding performance in their areas of specialty will be exempt from application, admission and tuition fees.

2. Date of Entrance: October 2014

3. Program: Doctoral Program

4. The number of candidates to be accepted: A few students per major

5. Eligibility:

Applicants must be Chinese nationals who satisfy the following conditions:

(1) Student is applying as a student in the Doctoral Program under the “China State-Funded Postgraduate Overseas Study Program” of the China Scholarship Council.

(2) Student will have completed a master’s degree program at a Chinese university by September 2014 or is currently enrolled in the first year of a doctoral program.

**Please note that those who are currently living in Japan are not eligible.**

6. Application Documents:

*Please see the application requirements for the “International Graduate Program (B)”*  
[http://www.gakumu.titech.ac.jp/nyusi/prospectus/english/cat22/detail\\_159.html](http://www.gakumu.titech.ac.jp/nyusi/prospectus/english/cat22/detail_159.html)

7. Application Deadline:

*Please see the application requirements for the “International Graduate Program (B)”.*  
(Please note that application documents must be received by the Admissions Division, Student Service Department on or before January 14, 2014).

8. Selection Method:

*Please see the application requirements for the “International Graduate Program (B)”.*  
(Applicants will be selected by a screening of the application documents and an online interview.)

9. Notification of Admissions Decision:

The result of the admissions decision will be mailed to all applicants in early March 2014. Approximately ten (10) selected applicants, those with excellent academic records and outstanding performance in their areas of specialty, will receive a “letter of confirmation,” indicating that they are also exempt from paying tuition and other fees by the end of February.

10. Application Fee, Admission Fee and Tuition:

As stated in item 9 above, approximately ten (10) applicants with outstanding academic records and outstanding performance in their areas of specialty will be exempt from application, admission and tuition fees. All other applicants must pay the application fee by June 28, 2014, by the method of payment to be indicated. Failure to pay the application fee by June 28, 2014 will result in the cancellation of the student’s acceptance. In addition, successful applicants who wish to enroll in the program and who are not among the exempt as described above, must pay the admission and tuition fees at the time of the admissions procedure, which is scheduled in late September 2014.

Application fee: 30,000 yen

Admission fee: 282,000 yen

Tuition: 535,800 yen/year

Note: For the approximately ten (10) students selected for exemption from application, admission and tuition fees, if you fail to be chosen as a recipient of the China Scholarship Council’s scholarship, the privilege of being exempt from tuition and other fees will be withdrawn. In that case, please pay all fees by the appropriate deadlines as outlined above.
