Course Title	China's Original International Strategy: the Belt and Road Initiatives
	中国原创国际战略：一带一路倡议
Teacher	ZHAI Kun
First day of classes	June 29, 2020
Last day of classes	July 10, 2020
Course Credit	3 credits
Course Description	
Objective:	
<p>BRI is China's long-term, original, and international strategy to promote China Dream and Human destiny community created by President Xi Jin-ping with great impact on the world order after five years practice. It will be the most important strategy of China to provide the public goods and new type of leadership for the world. This course will help students to understand BRI's strategic nature, strategic decision making, strategic implementation, and strategic management. The students can also have the opportunities to participate in the real construction of BRI with the guidance of Professor Zhai Kun.</p>	
Pre-requisites /Target audience	
NA	
Proceeding of the Course	
<p>The course is divided into two units (Unit One and Unit Two), special mentoring on student research design and a final research presentation will be arranged specially for advanced course participants.</p> <p>Unit One: Is BRI the best way to understand the relations between China and the world? Is BRI China's solution to address the issue of global governance? How does BRI develop from concept to national strategy? Is President Xi Jinping's thoughts and strategic framework on BRI finalized? How does BRI redefine China's state action? Research and Interview in Beijing</p> <p>Unit Two: How does Chinese government implement on BRI How do we scientifically assess the progress of BRI?</p>	

Is the academic research on BRI lagging behind the practice? How does BRI rebuild the international order? Research and Interview Seminar on BRI: the Common Destiny of Youth
