

Course Form for PKU Summer School International 2019

Course Title	Transition and Public Policy in China
	转型时期的中国公共政策
Teacher	LI Yongjun
First day of classes	July 1, 2019
Last day of classes	July 26, 2019
Course Credit	2 credits
Course Description	
Objective:	
<p>This is an introductory course about China's public policy in the process of economic, administrative and social transition. We will provide major facts and alternative explanations for various policy problems and corresponding public policies during this transition.</p> <p>Major topics covered in the course include: politics and policy making in China, public administration and public policies in the centrally planned economy period, major reforms after 1978 (including rural reforms, urban reforms, state-owned enterprise reforms, financial reforms and administrative reforms), current problems and major public policies, etc.</p>	
Pre-requisites /Target audience	
<p>Pre-requisites: Basic knowledge/information about China's modern history, society, people, politics, geography, etc. / Target audience: Undergraduate Students</p>	
Proceeding of the Course	
<p>Session 1: Introduction: Politics and policy making in China Session2:The Centrally Planned Economy in China (I) Session3:The Centrally Planned Economy in China (II) Session 4: Rural Policy (I) Session 5: Rural Policy (II) Session 6:State-owned Enterprise (SOE) Reform and the Chinese-style Privatization (I) Session 7:State-owned Enterprise Reform and the Chinese-style Privatization (II) Session 8: Financial Sector in Transition Session 9: Market Liberlization Session 10:Administrative Reform of Central and Local Government</p>	

Session 11: Discussion Session 12: Discussion	
Assignments (essay or other forms)	
Students will be asked to write an essay with no less than 2000 words. The topic of the essay should be related to one or more public policies in China which are discussed in the course to present students' personal understandings, comments and/or suggestions about them. Students may also choose to write about what they think are important policy problems/public policies in China.	
Evaluation Details	
The term-paper will contribute 70% to the final award, and class participation, including attendance and class discussion contribute 30%.	
Text Books and Reading Materials Please refer to the <i>Readings</i> in each session.
